

Sports' Days

Well done to all our children in Nursery through to Year 4 who had their sports' days this week. Everyone pushed themselves and thoroughly enjoyed the days. Thank you to all the family members who joined us and special congratulations to all the adults who ran in the adult races - you are very brave (and fast!).

We are looking forward to having the Years 5 and 6 Sports' Day on Tuesday 21st June. It will be on Streatham Common, 10am to 2:30pm. Please bring a packed lunch, a water bottle, wear house colours if you want to and apply sunscreen. Parents/carers can take their children home from the Common at the end of the event, if they would like to.

A massive thank you to Lisa, our PE lead, for all of the organisation.

HITHERFIELD HERALD

www.hitherfield.co.uk

Children in Years 5 took part in an outdoor adventure overnight camping experience here at Hitherfield. They worked on their learning dispositions (collaboration, resilience, curiosity, creativity, reflection and risk taking) whilst engaging in a range of fun bush craft activities. They set up their tents, made survival bracelets, did fire lighting, toasted marshmallows around a fire pit and tasted yummy s'mores! A fun evening was had by all.

MY FRIEND EMILE

A POEM BY DEXTER DRAIN

My friend Emile. He is smart, funny and cool. He likes Zelda, potatoes and beans.

My friend Emile. He says he learnt a lot from me and I'm sad I'm going to have to leave Hitherfield and leave him behind, but I'll visit.

My friend Emile. He inspired me to dig up my old Rubik's Cube and try and learn how to solve it. He also helped me to make lots of friends when I was new to the Afterschool Club.

I love my friend Emile. He is the best.

Thank you for listening.

Child Friendly Lambeth, a partnership programme with UNICEF UK and organisations within the borough, is working to prioritise young people's rights and ensure that their voices are better embedded into local decision-making.

As part of the Child Friendly Lambeth programme, we want to know what as many Lambeth children and young people's (up to the age of 25) priorities are for the borough, their opinions and what's important to them!

These opinions and feedback will inform our choice of UNICEF UK priority badges for the next few years. We will collaborate with our partners throughout the borough as well as children and young people to deliver actions against these priorities to make Lambeth a more child friendly borough.
