

BEAT THE STREETS

The Active Travel Team at Lambeth have launched a borough wide event which will take place this summer over a six week period from 22nd June until 3rd August.

What is Beat the Street?

Beat the Street is a free, fun initiative that will see Lambeth transformed into a giant game! See how far you can walk, cycle, run, scoot and roll in just 6 weeks. There are great challenges to enjoy and prizes up for grabs.

You should have received your map and registration card and there is a Beat Box to scan your card right outside Hitherfield School on the Leigham Vale entrance. You must tap in at one of the Beat Box points and tap at least one different Beat Box's point within an hour.

Hitherfield is currently in 1st place with 19,250 points! Get scanning Hitherfield!

Peddle My Wheels

Peddle My Wheels currently have an initiative called 'Community Influence'

<https://www.peddlemywheels.com/community-influencers>

This scheme is to encourage people who are not bike users (or have not been for some time) to get riding and influence their community to do so too.

It is open to anyone 18 and over who lives in Lambeth. You will be given a bicycle and helmet and lock and will also have instruction. They will track their usage every month. Click on the link above for more information.

Koala class had a great trip to Crystal Palace farm and park this week. We particularly enjoyed travelling on the top deck of the bus and playing in the giant sandpit at the park. At the farm we saw lots of animals including alpacas, sheep, meerkats and Shetland ponies. We had a great day!

LAMBETH SCHOOLS FLASHMOB

Hitherfield is taking part in the Lambeth School's Summer Flashmob 2022 supported by ELEVATE on Wednesday 6th July.

Students across the borough are learning the same dance routine and will perform it at the exact time throughout Lambeth!

The event is designed to boost Well-being by getting children and young people moving, being creative, engaged in Performing Arts and feeling a sense of belonging and community. The organisers will be creating a Lambeth Schools Flashmob video. We will be recording the event, then uploading the footage to a secure folder. The organisers will then edit the footage together so that we can see ourselves and see how many other schools joined in. All participants will get a copy and each school who took part of the video will be credited. Please fill out the student video consent form and return it to your class teacher (not the school office) by Wednesday 29th June.

Why not join in with the fun and learn the dance routine with your child at home.

Parent forum

Next Friday 1st July – post drop off, main hall

Exciting news!

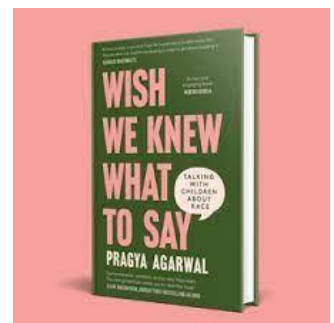

Our next parent forum is next Friday morning, 1st July, post drop off/09:15 in the Main Hall.

Many of you discussed wanting to know how to talk to children about race and racism. This will form the topic of next meeting.

To support our meeting, we will use a webinar by Pragya Argrwal with weaved in table talk on the above subject. Pragya is a behavioural scientist and author of *Wish we knew what to say: how to talk to children about race and racism* and *'SWAY; unravelling unconscious bias'*

Here's a little more about her book: *Wish we knew what to say, How to talk to children about race*.

We want our children to thrive and flourish in a diverse, multi-cultural world and we owe it to them to help them make sense of the confusing and emotionally charged messages they receive about themselves and others. These early years are the most crucial when children are curious about the world around them but are also quick to form stereotypes and biases that can become deeply ingrained as they grow older. These are the people who are going to inherit this world, and we owe it to them to lay a strong foundation for the next phases of their lives

We will also have a speaker from 'Round table books', a Brixton based diverse bookshop, in to introduce us to some high quality children's books to support these conversations and give advice about how these conversations can be structured.

We look forward to seeing you there.
