Eggstravaganza - Thursday 30th March

We are delighted to announce that the Eggstravaganza time has come again! The rules are the same as always. You need to boil one egg (Get a parent to do this for you. You are not allowed to do it yourself). Only use a chicken's egg, as ostrich eggs are very expensive and quail's eggs are too small! Then the fun part starts. You can paint and decorate your egg, or you can put it in a box and create a scene.

There are some of last year's entries on show in the corridor by the main playground.

Bring your entries straight to the Studio on Thursday 30th March. Each class will get the opportunity to visit the Studio to see all of the eggs. Adults can see the eggs after school on Thursday or before school on Friday.

The prize winners will be announced at the Eggstravaganza assemblies on Friday 31st March and all eggs go home on the last day of term.

Children will take their eggs home on Friday 31st March

Each entry will receive a Cadburys Creme Egg

Reminder to all families –

Children not attending Breakfast Club should not be on school site until 8:45am as they are not supervised until this time.

We have had a lot of children arriving at 8:30 or before without their parents/carers

Thank you.

Year 5&6 Girl's Regan Trophy Football Tournament

The Year 5&6 girl's football squad went to a football tournament at Ferndale Community Sports Centre to compete against other schools in Lambeth. We were feeling both nervous and excited at the same time because we were representing the school and wanted to win. We played five games in total. They were Vauxhall, Van Gogh, Streatham Wells (who we won against all three to get into the semi-finals), Julian B (who we played against in the semi-finals) and Julian A (who we played against in the finals). It was a six a side tournament so we put two in defence, three in midfield and one as a striker. We played collaboratively and were amazing but unfortunately, we lost in the finals against Julian A but ended up coming 2nd place. We are very proud of our achievements.

🏐 The Lambeth School Games Netball competition 🏐

The Year 6 netball team went to Streatham & Clapham Girl's school to compete in the Lambeth School Games Netball tournament. When we finally got into the school, we sorted out our positions and prepared for our first match. In our first match, we were winning 2-0 until our opponents shot and scored making it 2-1 but then out of nowhere Ahmed (our team mate) made a great shot at the last minute making us win 3-1. We used our collaboration throughout the competition, practising in our spare time. Then it was our next match, we played against Telferscot Primary School (another school in the competition) and won 9-0!! We played really well in this match, everyone was focused and we brought our A game. We think that is because we worked as a team, achieving some great goals in the rest of our matches (5 games in total), which brought us to 3rd place.

Holiday Club

Available at Brixton Recreation Centre and Steatham Ice and Leisure Centre

We offer a multi-activity, fun-packed holiday camp! Our holiday club is first and foremost a childcare solution for parents during the holidays. Our goal is to keep the children entertained with a variety of activities such as football, gymnastics, ice skating, and dance that are designed to keep them occupied for the entire duration of their stay. Children will also have the option of swimming if they are competent swimmers. In order to maximize interaction, children should wear comfortable clothing and trainers. We will only be able to accept children from the first September following the Holiday Club ofsted registration. Please ensure your children have packed lunches full of healthy foods and plenty of water.

**It is their 5th birthday
(from the beginning
of school
year 1).**

One of Lambeth's coolest activities

Our Olympic size skating arena is perfect for skating with the family or perfecting your triple jump with an inverted twist.

We offer public skating, ice hockey, figure skating, and much, much more at Streatham Ice and Leisure Centre.

Don't worry if you have never been on the ice before, we have skating aides to help you along.
