

Well Done Year 6

We are very proud of our Year 6 children (and staff) who tried their best at this week's Year 6 SATs. They all deserve a good rest this weekend and then they have lots of exciting learning and experiences planned for the rest of their time at Hitherfield.

THE GREAT BATTERY HUNT AT HITHERFIELD:

As usual, when called upon to accept a challenge, Hitherfield pupils and families rise to the occasion and aim high.

We have not yet managed to count the batteries collected so far but the weight alone tells its own story.

The barrel container was filled to the brim with a plethora of battery types. It was so heavy, in fact, it could not be lifted by two strong adults. It had to be moved on a trolley!

It was absolutely overflowing.

Several kilos of batteries had to be transferred to cardboard boxes.

An exceptional recycling effort by all involved.

A van should arrive some time soon to cart them all away to a recycling plant.

Then we start again.

Well done everybody!
