Use of School Grounds

It was lovely to see some families celebrating their child's birthday in our grounds after school this week. However, please remember to clear up after you, as there were balloons and other items left overnight.

Polite Notice: The Year 1 and 2 fenced off outdoor area is only to be used by Year 1 and year 2 children during school time. Please make sure that your children are not going into the area to play on the climbing frame or using any of the equipment before or after school.

Thank you.

Hitherfield Road

Hitherfield Road is a Lambeth School Street which means that no cars are permitted to drive up and down (apart from residents of Hitherfield Road) at the start and end of the school day. Some of our parents appear to have forgotten this and drive on the road regularly. This is putting our children in danger, as the children and families use the street in the morning and afternoon rush. PLEASE FOLLOW THE RULES and keep everyone safe.

Seesaw Display Names

It has been brought to our attention that lots of children have been changing their Seesaw display names. Seesaw is a key learning platform used by all members of staff across the school to monitor children's learning, therefore we ask that all children refrain from changing their name so that staff can easily identify their work.

It would be really helpful if you could ensure that your child's first and last name are correct and do not include the use of additional letters or emojis, as this can affect the position of your child's name in the class and make it difficult to locate their work.

We really appreciate your support in this matter.

Thank you,
The Computing Team
Louise and Jo
