

Happy Pride Month to all of our Hitherfield Families

New member of Staff!

We are delighted to welcome our new member of staff - Perdy, the Golden Retriever - who is an accredited Pets as Therapy (PAT) dog. We will be inducting Perdy into the school this side of the summer holidays and hope that she will support children with their reading practice weekly from September. Please note no child will read with Perdy without their parents permission.

Refugee Week - 19th - 25th June

We are starting to build up to refugee week and we are in the process of applying to become a School Of Sanctuary (more information here <https://schools.cityofsanctuary.org/>). Hitherfield has always welcomed refugees into our school and we have seen more children and families join us over the last 18 months. Year 4 Flamingo class have had a refugee focused art workshop with Community Arts Box this week and one of our pupils was recently photographed for an article in The Voice, which highlighted the government's illegal migration bill and the UK for failing to tackle racism - <https://www.voice-online.co.uk/news/uk-news/2023/06/06/uk-failing-black-children-says-un/>

One of our Year 3 Students played at the PSG Europa Cup in Paris over the half term. His team came 3rd overall in the whole of Europe. A massive well done to him. Keep up the good work!!

If you have arranged for another adult to collect your child from school please can you inform the school office. They can then get a message to the class teacher informing them of the changes.

Thank you

Missing Scooter

The two scooters below have gone missing from the scooter park. Please can you check if your child has, by mistaken, taken home the wrong scooter. If so please return it to the main school office.

Thank you.

Lambeth Parents/Carers Session

Child Criminal Exploitation

Our gang and county lines parents' session consists of **speakers with lived experience** within the criminal justice system to unpack and explore the **realities and consequences of county lines, gang involvement, and serious youth violence**.

Perspectives from previous perpetrators and runners/transporters, combined with relevant case studies, aid audiences in gaining an **authentic and credible understanding of this complex and cross cutting issue**.

The session will help parents and carers to **identify the signs and triggers** that a child or young person might be involved in county lines and gain an understanding of how to appropriately respond to such indicators.
