

Eggstravaganza - Wednesday 27th March

We are delighted to announce that the Eggstravaganza time has come again! The rules are the same as always. You need to boil one egg (Get a parent to do this for you. You are not allowed to do it yourself). Only use a chicken's egg, as ostrich eggs are very expensive and quail's eggs are too small! Then the fun part starts. You can paint and decorate your egg, or you can put it in a box and create a scene.

Bring your entries straight to the Studio on Wednesday 27th March. Each class will get the opportunity to visit the Studio to see all of the eggs. Adults can see the eggs after school on the Wednesday or before school on Thursday 28th March.

The prize winners will be announced at the Eggstravaganza assemblies on Thursday 28th March

Children will take their eggs home on Thursday 28th March.

Every entry is rewarded with a cream egg.

Here's are some photos of last year's entries:

That's right! This Thursday was International Day for the elimination of racial discrimination.

At Hitherfield, we are committed to fighting racial discrimination in all its forms and strive to offer a safe space for the whole community.

When this goes wrong, we need to know.

Please speak with your children about the importance of reporting an incident if they are a victim of or witness of racism.

While we ask you to encourage your children to report this to any adult in the school they feel comfortable to, including their teachers, here's a few adults across the school they can also report to.

The Great British Spring Clean

This year we have signed up to the Great British Spring Clean and pledged that we would pick up 80 bags of litter across all the year groups (10 bags for each year group). Starting on 15th March children in the school will do some litter picking in the school grounds and the local community to keep the spaces that we live and work in clean and tidy.

We have litter pickers, hi-vis jackets and gloves for the children to use when out keeping Britain clean.

THE GREAT BRITISH SPRING CLEAN

15 - 31 MARCH 2024

This Spring, join **Keep Britain Tidy** as the **Great British Spring Clean** returns for its ninth year.

And as we mark our 70th anniversary in 2024, we're highlighting that the environment belongs to everyone, and encouraging everyone to play their part in tackling litter.

We're calling on communities and individuals across the country to join us and take action to protect the neighbourhoods, parks, and open spaces around us, making them places to be proud of.

Last year, thousands of **#LitterHeroes** pulled on their gloves, grabbed their litter-pickers, and pledged to join our **#BigBagChallenge**. Together, we removed more than 400,000 bags of rubbish from the environment.

When we all join forces and take the same action at the same time, the difference we can make is huge. That's a difference to our planet, to the wildlife we share it with, to our communities, and to our own health and wellbeing.

Please visit keepbritaintidy.org from 23 February to make your pledge.

THE PERKS OF GETTING INVOLVED

91% of participants felt they were part of a national movement, taking action to tackle litter	81% of participants agreed that taking part helped to improve their mood.	80% of participants felt empowered to make a change for good.

World Autism Acceptance Week

Are you ready for World Autism Acceptance Week 2024?

Join the Autism Education Trust and be prepared for a week of celebration and conversation as we shine a spotlight on learning more about autism.

With autism diagnosis increasing each year, many education professionals are seeking new ways to better support autistic students and foster a greater understanding of neurodiverse differences in the classroom.

Practitioners are invited to access a tailored package of FREE resources developed by the AET and our Autistic Young Experts.

Let's Learn About Autism resource packs and lesson plans are available exclusively for World Autism Acceptance Week.

Designed for Early Years, Primary/Secondary Schools and Post-16 settings the Autism Education Trust, National Autistic Society and Ambitious about Autism have worked in partnership to create resources that can support busy teachers to plan their lessons and confidently talk positively about autism.

Packs also include practical ways in which non-autistic learners can support their autistic peers in school and college.

You can download your FREE resource packs via the AET website

EDYTA RECOMMENDS:

Empire of Normality by Robert Chapman

I'm currently reading this book which shows the history of neurodiversity and disability movements. It's quite unique and indeed an interesting view.

KASIA RECOMMENDS:

BBC Two - Inside Our Autistic Minds

This recent BBC documentary by Chris Packham shares lived experiences of autistic people through video, music and illustration.

NOEL RECOMMENDS:

My kids like watching Pablo which is on CBeebies. It is about a 5 year old autistic boy called Pablo. He creates imaginary fiends who come to life, and together they all go on adventures and explore how to cope with tricky situations. All of the writing team on the show are autistic, as are all the voice cast, including autism advocate, writer and public speaker, Rosie King.

SAFFRON RECOMMENDS:

Strong Female Character by Fern Brady

Fern brady is a comic who you might know from Taskmaster. In this funny and honest book she reflects on her experience of receiving an autism diagnosis.

Strengthening families, strengthening communities

Birth to adulthood

"I spend more time with my mum, and we communicate better."

About the Programme

Strengthening Families, Strengthening Communities is a popular parenting programme for anyone raising children. We welcome parents and carers from all backgrounds who would like to work on their parenting skills and build positive relationships with their children and teenagers.

We can help you to recognise and respond to the challenges of being a parent and the risks and concerns facing our children. Whether you want to help your child do well at school, deal with bullying, avoid online grooming or getting in with the 'wrong crowd', or just feel more confident: SFSC can provide you with strategies to help you feel equipped as a parent and help you to keep your children safe.

SFSC runs for three hours a week for 12 weeks. Some groups provide free childcare and refreshments. There is also an introductory session where you can find out more. Just come along, bring a friend or partner if you prefer, and see if it's for you!

The course will help you to:

- Build positive family relationships
- Manage anger and stress
- Implement effective discipline strategies
- Gain confidence and communication skills
- Understand your child's development
- Recognise and value your family and cultural traditions
- Meet others and share ideas

All groups end with a celebration.

You will receive a certificate and a parent manual.

"I loved the programme and will ask my friends and relatives to go as well."
