## RE: Coronavirus and Children's Centre Service Delivery

This statement is to provide an update on current delivery of children's centre services in light of the Coronavirus pandemic. Information is correct as at 13<sup>th</sup> March.

All Lambeth children's centres remain open. There may be a reduction in service delivery and changes to activity timetables at short notice as service providers seek to prioritise those in greatest need. This is likely to apply particularly to provision of health services.

You can view information on children's centres and Better Start area timetables here: [www.lambeth.gov.uk/childrenscentres](http://www.lambeth.gov.uk/childrenscentres). However, as some services may be changed or cancelled at short notice please contact the centre directly for further information.

Please do not go to the children's centre if you or your child are unwell. If you or your child develop new symptoms of a persistent cough and / or temperature do not attend the children's centre and follow government guidance on self-isolation.

If you do go to the children's centre, please follow local policies.

Thank you for your cooperation.

Phyllis Hayden

Area Manager Better Start Streatham & Norwood.
