Children's centre buildings are currently closed due to government guidance around coronavirus, so decisions taken following this consultation would be implemented when it is safe and permitted to reopen children's centres.

We expect this to be a gradual process and will need to carefully consider which activities we are able to resume and when and consider what services may need to be delivered differently.

In the meantime, you can still get support and information from Lambeth Better Start Children's Centre staff teams.

Phone **020 7926 2369 Monday to Friday from 9am to 5pm**, or fill in the online form and someone will get in contact with you.

You can also find lots of information and activities to do at home with your children by visiting www.lambeth.gov.uk/coronavirus-cyp and selecting 'children's centres'.

Best wishes,

Cllr Edward Davie,

Cabinet Member for Children and Young People
