NURSERY APPLICATION FORM - HITHERFIELD PRIMARY SCHOOL
Nursery Education is not statutory and places are limited.

A place in the Nursery does not guarantee a place in the Primary School. A separate application must be made.
In line with Lambeth Education Authority selection criteria for Nursery classes addresses other than the child's home address will not be accepted for admission purposes. We are therefore only able to accept a child's home address and will require proof.

For Parent/Guardian to complete:
If you find this form difficult to fill in, please ask at the main school office for advice.

Will I qualify for 30 hours free childcare?

Parents of three and four year olds will need to meet the following criteria in order to be eligible for 30 hours free childcare:

•They earn or expect to earn the equivalent to 16 hours at National Minimum or Living Wage over the coming three months.

•This equates to £120 a week (or c.£6,000 a year) for each parent over 25 years old or£112.80 a week (or c.£5,800 a year) for each parent between 21 and 24 years old.

•This applies whether you are in paid employment, self-employed or on zero hours contract.

•The parent (and their partner where applicable) should be seeking the free childcare to enable them to work.

•Where one or both parents are on maternity, paternity, shared parental or adoption leave, orif they are on statutory sick leave.

•Where one parent meets the income criteria and the other is unable to work because they are disabled, have caring responsibilities or have been assessed as having limited capability to work.

•Where a parent is in a 'start-up period' (i.e. they are newly self-employed) they do not need to demonstrate that they meet the income criteria for 12 months.

•If a non-EEA national, the parent must have recourse to public funds.

Who will not qualify?

A parent will not meet the criteria when:

•Either parent has an income of more than £100,000

•Either parent is a non-EEA national and subject to immigration control (and has no recourse to public funds)

What happens if a parent loses eligibility?

•They will receive a "grace period" – this means they will be able to keep their childcare for a short period.

•Once the "grace period" has lapsed, the parent may be entitled to the universal 15 hour entitlement.
