

Another Busy Few Weeks

We have had a few busy and successful weeks with excellent class assemblies, jam packed with families who have also enjoyed visiting the children's classrooms to see all of the hard work the children have undertaken so far this term. There are no further class assemblies until after Christmas, as we start practicing our Christmas performances. I hope that we will be able to welcome families in to see the performances, however it will be dependent on the situation with Covid at the time. I will keep you informed closer to the performance dates.

I am aware of at least one Lambeth primary school that has had to return to the bubble system due to an increase in positive Covid cases, so it is extremely important that we continue to test regularly and not send the children into school if they are unwell and get them tested. We usually have 2 or 3 cases at any one time, which is manageable and to be expected, but this would only have to increase by several more and we may be advised to bring in more protective measures.

After School

Warm Up Fridays have been a huge success with so many families staying after school to socialise and play.

Please remember that you are not allowed to take sports and play equipment from the PE Sheds dotted around the school, as the equipment in them is needed for PE lessons. If your child finds a ball or something else, please ask them to leave them next to one of the sheds. You are welcome to bring your own equipment. Thank you.

Remembrance Sunday...

On Sunday our co-leaders of School Council, Shawn-Niya Spence and Sophie Benghiat, laid a wreath during the Remembrance Service at the Streatham Memorial on behalf of the Hitherfield community. The Remembrance Service is a time to unite to remember all of those soldiers and civilians that have died during wars that the United Kingdom have been involved in. Sophie and Shawn-Niya carried out their responsibility with great respect and were brilliant ambassadors for the school. They were accompanied by Mr. Hooberman, the Chair of Governors.

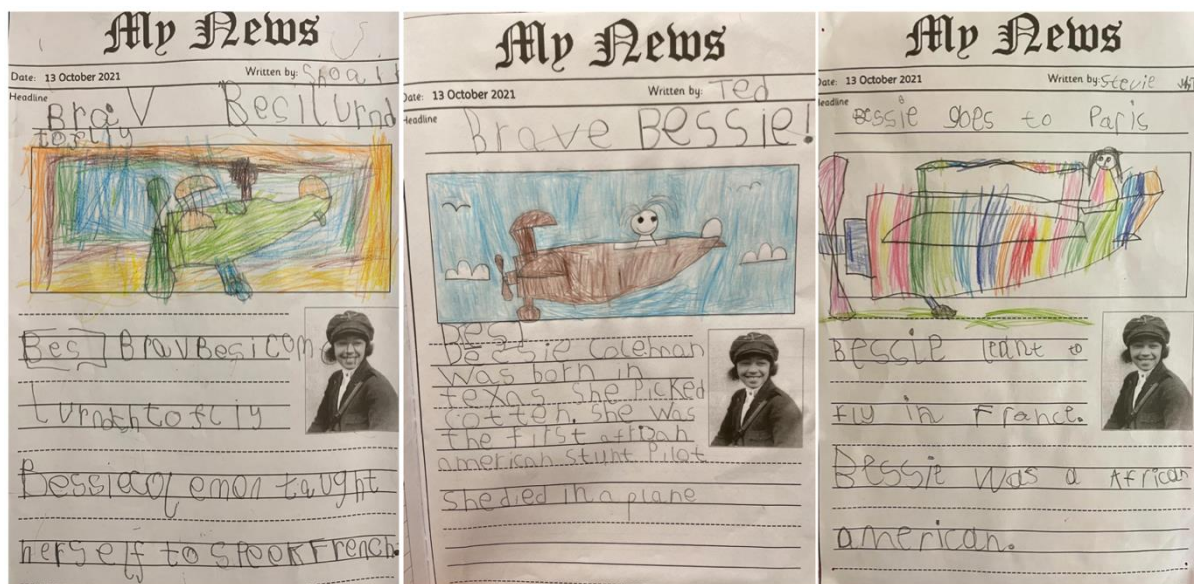

The service is attended by many community groups and it was good to see other Hitherfield children taking part with these local groups as well. It was also attended by the MP for Streatham, Bell Ribeiro-Addy and Shawn-Niya and Sophie were able to meet her after the service.

During Term 1, all children at Hitherfield learn about an Inspirational Person.

In Year One, we learned about Bessie Coleman. Bessie was the first African American woman to become a pilot. She was inspirational because she overcame obstacles to achieve her dream! We felt so inspired that we created news articles about Bessie, so we could share her story with others.

Year 4's Inspirational Person.

Our topic was Claudia Jones and she was an activist. An activist wants everyone to be kind to each other. She was born in Trinidad in 1918. She started the Notting Hill Carnival to bring white people and black people together. We learnt about the carnival parade which celebrated Caribbean culture. We made our own headdresses and did a parade around the school. We also tried Caribbean food.

PTA NEWS

🍪 CALLING ALL FACE PAINTERS 🍪

Our Face Painting Guru Joost Creutzberg has offered to run a short 45 minute workshop to all those who would like to learn a little more about the art of face painting. He'll take you through some of the basics and instruct you in the art of the swirly brush and the rainbow paint!

The catch of course is that we'd ideally like you to volunteer at one of our events as we are in need of more face painting volunteers. The workshop will take place after school at 3.40pm on Friday 3rd December and will be limited to 8 places. If you are interested in taking part please email the PTA on hitherfieldpta@gmail.com
