

## Happy New Year and Welcome Back

It has been great welcoming everyone back to school and seeing all the happy faces. I am pleased that the school is fully open and I look forward to seeing all the wonderful learning that the children will do again this term. You should find the class termly overview attached to this Herald.

We are continuing with the risk assessment measures that were in place at the end of last term, which are:

- Regular hand washing and enhanced cleaning around the school
- Parents, carers and all other visitors will have to wear masks on site, unless exempt.
- Staff will wear masks in communal areas and they have the option to wear them whenever they wish to.
- Good ventilation is key and we will keep doors and windows open as required.
- No child should come to school if they are unwell or have Covid symptoms.
- We will ask any child who is unwell or develops Covid symptoms whilst at school to be collected as soon as possible

By undertaking these measures, we should be able to limit the spread of Covid in the school, which should reduce the likelihood of classes going into bubbles or being sent home. Thank you for supporting these measures yet again.

Best wishes,  
Chris Ashley-Jones, Executive Headteacher
