

## Stop Blocking The Road!

Please do not stop or park on the Double Yellow lines opposite the school entrance on Leigham Vale or on the 'School - Keep Clear' road markings. These markings are there to keep our children safe. If you stop or park on them you are putting our children at risk of injury. We will take photographs of cars that violate these markings and send them to the police.

## Mobile Phones Are Not To Be Used In The Playgrounds

Please remember that you are only permitted to use your mobile phones outside the main school office and between the Orange and Yellow gates by the Hitherfield Road entrance. This is a safeguarding concern, as you do not have permission to photograph or film other children and is part of our whole school safeguarding policy which applies to all of us.

## ATTENDANCE AND COVID

At this time it is likely that we will see more children not attending school due to COVID and so we wanted to clarify some procedures and outline what to expect from us while we balance keeping our community safe as well as attempting to reduce disruption to children's education.

### The main messages are:

- Nationally, schools are open and attendance is mandatory
- Families are advised to continue to test regularly to identify infections
- If your child has symptoms they should stay at home, self isolate and take a PCR test
- Where children are not attending in circumstances relating to COVID-19, an X code is used on the register which does not impact on the attendance percentage
- For all other absences, we will continue to follow our procedures (please see the policy on the school website)

Although we absolutely understand that there may be a high degree of illness in our community at the present time, it remains our duty to inform you of your child's percentage where it has become a concern. Our attendance procedures remain vital at this time; we continue to strive that no child is disadvantaged by low attendance and to ensure that appropriate support can be put in place where needed. If you receive an attendance letter and wish to discuss this, please do contact the school office.

Happy New Year and thank you to all those who supported Hitherfield Family to Family over the winter holidays. Your donations supported 50+ families within our school community with groceries. We are in unprecedented times and for many of our community life is harder, and more uncertain. This supportive gesture for those in need was, again, so gratefully received.

Hitherfield Family to Family is a parent run initiative that coordinates the donating and providing of groceries, within our Hitherfield community, by our Hitherfield community, for our Hitherfield community.

Thank you again,

Hitherfield Family to Family

"Thank you very much for all the wonderful buddy bench designs we have received so far. The winning entries will be revealed in assembly on the 31st January. If you haven't submitted your design yet, you have until the 24th of January before the competition closes! Happy Designing!!"
