

Risk Assessment Update

Due to the current increase in positive cases of Covid 19, we are not making any changes to our risk assessment at the moment.

This means that parents, carers and all visitors to the school will need to continue wearing masks when on the school site unless exempt.

I will review this on Friday 4th February. Thank you for your ongoing cooperation in keeping everybody safe.

Chris Ashley-Jones,
Executive Headteacher

Hitherfield has been awarded another gold award by Transport For London in recognition of achievement in active and safer travel initiatives. We look forward to more cycling proficiency lessons for children, more bike repair workshops and bike sales this year.

School Payments – Dinners/B&ASC

If your child attends our Breakfast and Afterschool Club please can you ensure that their accounts are kept in credit. As outlined in your contract, payments are requested in advance of the sessions attended. A lot of admin time is wasted on chasing debt. Also please ensure your child's dinner money account is paid in advance.

Thank you for your cooperation.

GLA WARMER HOMES PROGRAMME

The Warmer Homes Programme aims to support fuel poor household in London

Fuel poverty is a widespread issue that negatively impacts people's physical and mental health, creates and exacerbates health and social inequalities and places additional demands on NHS and social care providers. Latest data (from 2019) shows there are 531,000 fuel poor households in London, making it the third-worst of any English region. Helping households become more energy efficient not only reduces energy bills, but also supports net zero emissions targets that have been set by both the NHS and the Mayor of London.

What support is available through the programme?

The Warmer Home Programme is led by the Greater London Authority and supported by NHS England / Improvement. It is a **pan-London programme** offering advice and financial support for fuel poor households. **Services are free** and include:

- Telephone advice on saving energy and keeping warm at home
- Home energy visits with installation of small measures such as draught excluders
- Advice and support with energy bill debt and billing disputes with suppliers
- Grants **of up to £20,000 per household** to improve heating and insulation
- Support with applications for energy bill discounts

Who is eligible?

Eligibility is defined by being on means-tested/disability benefits or through a vulnerability assessment by the Warmer Homes Advice Service providers.

How can residents access support?

- **Clients can self-refer** directly to the Warmer Homes Advise Service providers (see details in the opposite graphic).
- **Professionals can refer clients** directly via a single point of contact: www.london.gov.uk/warmer-homes-referral

FEBRUARY HALF TERM PROGRAMME BRIXTON RECREATION CENTRE

Monday 14th February – Friday 18th February 2022

Holiday Playscheme (5-12 years)

Monday – Friday 9am–5pm

A fun packed, multi activity holiday camp! First and foremost a childcare solution for parents during the holidays. Brixton's playscheme offers high quality care with an emphasis on FUN. We aim to do more than just keep the children occupied with a wide range of activities that offer something for everyone! Children will also have the option of swimming if they are competent swimmers. Children should wear comfortable clothes and trainers to maximise interaction. Please ensure that your children have a packed lunch full of healthy foods (no nuts, sugary sweets or fizzy drinks), as we have no café facilities, and ensure they have plenty water.

Due to the play scheme's Ofsted registration, we can only accept children from the 1st September following their 5th birthday (school year 1 onwards).

Cost per day

Standard £19.45
Concessionary £15.65

Cost per week
