

AUTUMN Term Clubs 2022

These clubs will run for 10 weeks - starting the week commencing Monday 26th September and finish the week ending Friday 9th December.

We are pleased to be able to offer a wider variety of clubs this term, with several new external providers on top of the new ones from last term. We have deliberately not offered any clubs to Reception children, as the children are settling in this term.

You will note that clubs have different prices, depending on the cost of the external provider. The school does not make any money out of running clubs, however we do offer a limited number of free places to pupils in receipt of free school meals*.

Booking opens at 9am on Saturday 17th September and payments must be received when booking and by Friday 23rd September at the latest. We ask parents to book one club in the first instance, to allow others the opportunity to book, and then to book other clubs if there are spaces later on.

When making the booking on ParentPay, there is a mandatory field where you will have to write either:

- A) walking home alone B) attending afterschool club (ASC) or C) being collected at 4.30pm/5:30pm

Parents must bring and collect children who are taking part in clubs that do not start at the end of the school day, unless they are in the Afterschool Club.

***Free School Meals (fsm)** - Every child in receipt of fsm is entitled to at least one free club during an academic year. Please email admin@hitherfield.co.uk with your child's name, class and club preferences. We will contact you to let you know which club they can attend. If they do not receive a club in one term, we will offer them a club during another term.

Children attending After School Club must sign in to the After School Club register before they go to their club.

The Spring term club offer will be sent out before Christmas.

Hitherfield Christmas Card (or other celebration) Templates.

Look at these gorgeous Christmassy cards created by our children.

Every year, the PTA sends off our children's artwork, to be returned as beautiful cards, wrapping paper and key rings in time for Christmas. Each, has the child's name and class on and your chosen greeting inside. They do not have to be Christmas cards. In previous years, families have used this opportunity to have their child design "Thank You" cards, to have cards ready to use for other celebrations throughout the year or, just keep them blank inside.

The funds we raise through card sales, always raises significant funds for our school. The cards are of high-quality production and very special.

Detailed information and card templates will be given to children by their teachers this coming week. (Please check bags!)

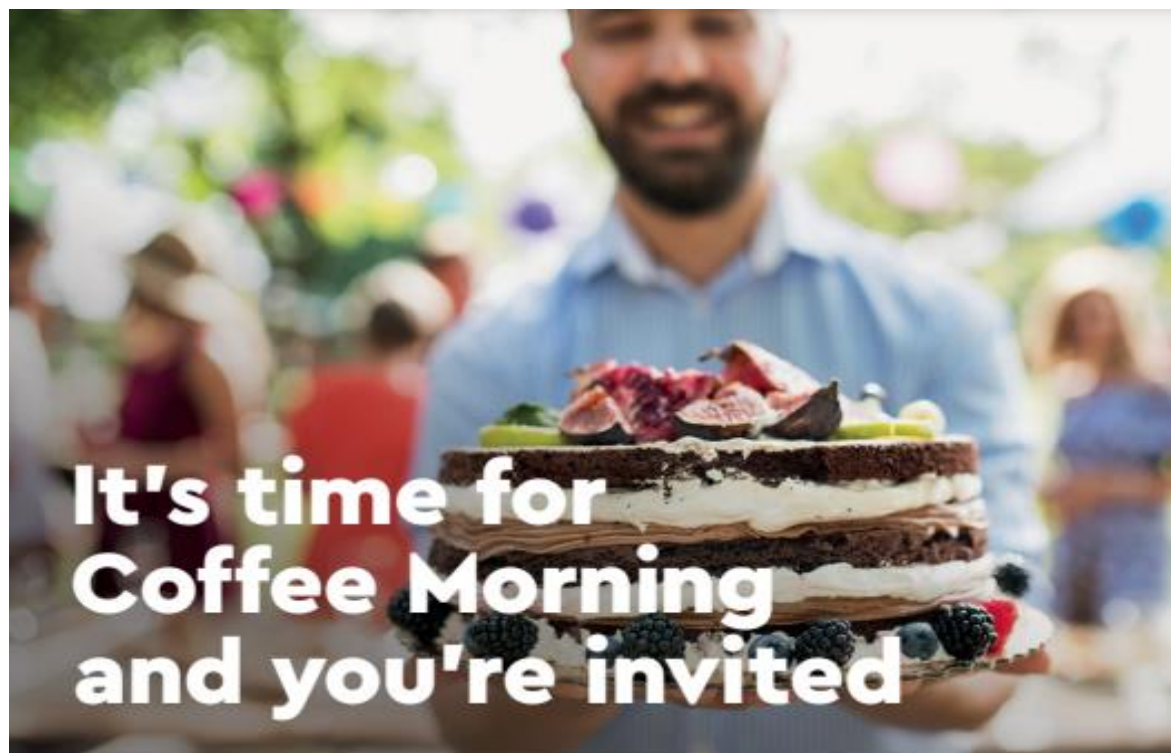

Please observe the deadline for the return of the designs, completed order form and payment. We cannot accept late orders

We will be collecting designs/orders/payment at drop off on the mornings of 10th – 14th October.

So, it's time to get out the pens and paints and let the creativity flow!

Best wishes,

Hitherfield PTA
