Very Hot Weather

Next week is predicted to be very hot with temperatures above 30 degrees every day. We will take several precautions, as everyone's safety is our priority. These include constant access to water, taking breaks from the curriculum when needed, getting the water hoses out at playtimes (always a favourite with the children) and staying indoors if required.

It would be helpful if parents can send their children in with water bottles, with hats (baseball or wide brimmed are best), no jumpers or coats and with sunscreen already applied.

please ensure your child is wearing appropriate footwear. Children are not to wear flip flops, sandals, crocs or any other open toe or open back shoes. This is for their own safety.

Year 5 Shine at World Cup-Themed Football Tournament

On Wednesday 17th June, a group of Year 5 pupils took part in an exciting World Cup-themed football tournament at Kennington Park, coinciding with the day England kicked off their campaign against Croatia.

Representing the Netherlands, our squad had an amazing time competing against 11 other schools from across Lambeth. Throughout the day, the children demonstrated excellent teamwork, outstanding sportsmanship and impressive football skills, making the school proud both on and off the pitch.

To make the event even more memorable, BBC London and ITV London attended the tournament. Several pupils had the opportunity to speak to the media about their excitement for the World Cup and their anticipation for the England vs Croatia match later that evening.

It was a fantastic day of football, fun and friendship, and all the children represented the school brilliantly.

Year 6 Cricket Team Crowned Lambeth Champions!

Last Wednesday, 10th June, a group of Year 6 pupils were invited to compete in the 2026 Surrey Cricket Foundation Lambeth Bash competition at Brockwell Park.

Competing against schools from across Lambeth, Team Hitherfield delivered an outstanding performance, winning every single one of their matches. The team demonstrated fantastic batting, bowling and fielding skills throughout the tournament, securing victory by at least 50 runs in every game.

Their success was built not only on sporting talent but also on excellent teamwork, resilience and sportsmanship. It was clear that this team stood head and shoulders above the competition!

As a result of their impressive achievement, Team Hitherfield has now been invited to represent Lambeth at the Open Dynamos Schools Cricket Finals Tournament next month.

Congratulations to all the players on this fantastic achievement, and we wish them the very best of luck in the finals!

Hitherfield were again invited to take part in The Big Read at Alleyn's Junior School along with 15 other schools from Kent and South London. Three children from Year 2 went along on Saturday to hear author Alex Milway talk about his book Hotel Flamingo.

There were interactive activities, refreshments, a Q&A and a book stall, and the children got to talk to the author and get their free books signed. There was a wonderful energy amongst the children and it was great to see their love and enthusiasm for books and reading.

Preparing for September

Class changes in Reception, Year 2 and Year 4

We know that change can feel unsettling for some children. Here's what to expect and how we can help make it a positive, exciting step forward.

Key Dates

10th July

Find out your child's new teacher and class. Letters sent home and posted on classroom doors.

15th July — Meet Your Teacher Day

Children visit their new classroom and spend time with their new teacher. More details to follow.

Supporting Your Child at Home

Some children find change tricky — and that's completely normal. Gentle conversations at home from now can really help.

→ Scripts and social stories are available on our **school website** to help you frame conversations about change.

→ Any concerns? Please speak to your child's **current class teacher** we are here to help.

We are looking forward to a wonderful year ahead!
