

### Extra-Curricular Clubs

The last week of our after-school clubs will be **week commencing 29th June (next week)**

There will be no homework club on the 25<sup>th</sup> of June

**Language Explorers and Ultimate Frisbee** are not taking place w/c 29th June so will finish the following week which is the w/c 6th July.

**Tennis** also finishes on the 8<sup>th</sup> of July

### Stranger Danger

A parent mentioned that a man started to speak to their child and another child when they were going down Leigham Vale towards Palace Road after school on Tuesday. Whilst we cannot determine the motive of the man and he did not appear to do anything untoward, it left the parent feeling uneasy. This is a good reminder for families to have the 'stranger danger' talk with their children again.

We would just like to say a huge thank you to the PTA for providing every child with a freeze pop this week! The children very much enjoyed them.

Due to the festival being cancelled, 4 Cheetah and Hippo will now be holding a music concert next Tuesday 30<sup>th</sup> June at 11:15am.

3 Anaconda and 4 Flamingo holding a music concert next Tuesday 30<sup>th</sup> June at 2:45pm in the studio.

We appreciate that this is short notice and understand that some families may be unable to attend

The club will run from 20th July to 28th August 2026 and is designed for children aged 5–11 years, offering a fun, engaging mix of off-site trips, outdoor adventures and creative on-site activities. Children travel safely on all trips using our private minibus, and the club is fully Ofsted registered.

Planned experiences may include:

## Preparing for September

Class changes in Reception, Year 2 and Year 4

We know that change can feel unsettling for some children. Here's what to expect and how we can help make it a positive, exciting step forward.

### Key Dates

#### 10th July

Find out your child's new teacher and class. Letters sent home and posted on classroom doors.

#### 15th July — Meet Your Teacher Day

Children visit their new classroom and spend time with their new teacher. More details to follow.

### Supporting Your Child at Home

Some children find change tricky — and that's completely normal. Gentle conversations at home from now can really help.

→ Scripts and social stories are available on our **school website** to help you frame conversations about change.

→ Any concerns? Please speak to your child's **current class teacher** we are here to help.

We are looking forward to a wonderful year ahead!
