

Emotionally Based School Non-Attendance (EBSNA) Parent Workshop

As part of the wider Parenting Support Group (PSG) offer delivered via Lambeth Parenting Support Service, this workshop is designed for parents and carers of children and young people experiencing Emotionally Based School Non-Attendance (EBSNA). The workshop aims to increase understanding of EBSNA, including common triggers and underlying factors such as anxiety, transitions, sensory sensitivities, and other emotional needs. Parents and carers will explore how EBSNA may present, gain insight into behaviour through a fight, flight or freeze response framework, and learn practical strategies to support their child's emotional wellbeing, confidence and engagement with education. The workshop also includes a focus on parent wellbeing, helping families identify sources of support and build resilience during challenging periods

Gardening notice

Thursday mornings 9:00-9:45 all year-round parent/guardian volunteers are welcome in the edible garden. Drop into sessions to see what kind of things your kids get up to, learn about growing edibles and get involved in the school. This week we had a go at pruning the olive tree and tidying the garden. We meet outside the garden (by the bike sheds at the reception classes).

EARLY COLLECTIONS

We understand that occasionally children may need to leave school early, and we appreciate that appointments and other commitments cannot always be avoided.

We would kindly ask that, wherever possible, children remain in school until the end of the school day. Afternoon learning time is just as important as the morning, and early collections can disrupt lessons and mean that children miss valuable learning and classroom activities.

Thank you, as always, for your support and understanding
