YOUR GUIDE TO SCHOOL LUNCHES

Feeding Hungry Minds

HELLO FROM YOUR SCHOOL CATERERS!

We provide healthy and nutritious lunches at your child's school. As well as feeding hungry minds with balanced meals, we also provide our diners with food education - from showcasing where our ingredients come from to promoting healthy living. Read on to find out more...

SUSTAINABLE INGREDIENTS

As part of the Food for Life Served Here standards we are asked to champion local suppliers.

We're more than happy to do this, as not only does it mean that the food arrives on our plates bursting with fresh, flavoursome goodness, but also that we're supporting local communities and reducing food miles...

Seasonal Stars:

Each fruit or vegetable has a prime time when it is at its seasonal best. We work with our suppliers to source them when they're at their peak and serve them up in our schools!

HEALTHY, DELICIOUS & NUTRITIOUS

We recognise that a balanced and varied diet is essential for maintaining both physical and mental health in children. Our nutritionists check every menu to make sure that they offer a variety of different foods to help pupils thrive throughout the school day.

Charlotte Quick, Company Nutritionist, explains a little about **how we build our menus**

We try to introduce foods such as chickpeas, lentils, beans and spinach to the menus, as these are good sources of zinc and iron!

We've also been busy reducing the sugar in our recipes, for example, in our apple and berry crumble we've reduced the sugar by 50% and increased the amount of fruit!

Special Diets:

If your child has specific dietary needs, due to an allergy/intolerance or medical reason, we are pleased to be able to provide a bespoke menu for their requirements. A special diet referral form is available from your school reception, in both electronic and paper format. We ask that you complete the form and return to the school with supporting medical documentation - then we will do the rest!

DELICIOUS DINNERS!

Not only are our lunches healthy and sustainable but they're also delicious! We've got a wide variety of options available, including both meat and vegetarian dishes and hot and cold desserts.

We try to make sure that there's a lunch option to suit everyone - that's why we create our menus based on feedback from the pupils, our cooks, teachers, parents and carers. We recognise that there are children's 'must haves' and local favourites, which is why all our menus are agreed with each school.

We are always keen to hear of any suggestions for new dishes, so be sure to tell us what you think!

**OUR LUNCHES OFFER AT LEAST

DON'T FORGET TO VISIT THE SALAD BAR!

Salads can be a real hit in the school dining room when presented in the right way. We offer pupils a selection of different vegetables and salads which are prepared in 'easy to eat' ways, so they can pick and choose what they like best.

Did you know?

We've introduced **more plant-based** options so children have more choice when it comes to enjoying meat-free meals which can provide more fibre and less saturated fat!

Look out for the plant based icon on our menus!
