### **Membership of the Governing Body and Register of Business Interests 2019/20**

*All Governors and Associate Members are required to declare any pecuniary or business interests on their appointment, and also are reminded to update this information at every meeting of the full Governing Body and its Committees. This published Register will be updated annually after the first meeting of the school year; however any changes made during the year will be recorded in the Minutes of the meeting at which they are declared.*

Co-opted Governors are appointed by the Governing Body.  
 Local Authority governors are appointed by the Local Authority and the appointment confirmed by the Governing Body.  
 Parent Governors are elected by the school's parents and carers.  
 Staff Governors are elected by the school's staff other than the Headteacher whose place is automatic from start date in post unless a Headteacher declines it.  
 Associate Members are not Governors, but may sit on one of the Committees of the Governing Body, and/or the full Governing Body, usually because they have specific skills. They can be appointed for between one and four years. Our Associate Members have been granted voting rights at Committees on certain issues, excluding financial or personnel matters, with effect from 1<sup>st</sup> January 2016.
