## **Calling All Cooks! - ISS Young Chef Of The Year 2021**

We are pleased to announce that our catering company, ISS, are running their Young Chef Of The Year Competition again. The competition is open to all children in Key Stage 2 (Years 3, 4, 5 and 6) in Hitherfield and our local schools in Streatham.

Pupils will need to create a Plant Based (vegan) recipe, which includes a protein source and a carbohydrate as an accompaniment. Their recipe must include weights, costs and photographic evidence of the dish and can be emailed to [admin@hitherfield.co.uk](mailto:admin@hitherfield.co.uk) (or handed into the main school office) by 4pm on Friday 14th May. Please put 'Cooking Competition' in the subject box if emailing in. That's just two weeks to get cooking!

A judging panel, made up of representatives from our catering company will pick the best entry from Hitherfield to go forward to the Grand Final (hopefully at Lambeth College on 24th June) where the child representing Hitherfield will cook their meal (with assistance). The Young Chef Of The Year will be the child who has the recipe that is judged highest on creativity, presentation, innovation and quality of the submitted recipe.

Please only enter the competition if you are happy for your child to be photographed.

There will be a great prize too - Get Cooking!!!

The children have all been enjoying the latest addition to our trim trail - the new play equipment funded by Hitherfield PTA!

We would like to say a big THANK YOU for your continued support throughout our online and off-site social distancing events over this past year and helping us to raise more funds for our school.

Stay tuned to our Facebook page and the Hitherfield Herald for details on upcoming events!

## VIRTUAL ROADSHOW: STEM

An education event for parents hosted by the Right Honourable Stuart Lawrence.

### WHAT ARE THE SESSIONS?

The Rt Hon Stuart Lawrence will facilitate questions and discussion with parents around the session's theme: providing career advice, helpful tips and practical advice to support their children in their educational, post-education and professional journeys. These online sessions are for Lambeth parents/carers.

The theme of this session is STEM – science, technology, engineering, and maths. Sir Geoff Palmer, Scotland's first black professor, Mandisa Greene, President of the Royal College of Veterinary Surgeons and Marlon Wilson, an engineer for BT, will be the guest speakers.

**Date:** Wednesday, 5th May 2021

**Time:** 6.00PM – 6.45PM

**Microsoft Teams Link:** [Click Here](#)

There will be a Q&A and discussion section as part of each event.

### WHY ARE WE DOING THEM?

These events are being run as part of Lambeth School Partnership's Raising the Game initiative. Aim High sessions have been run for Lambeth pupils over the last few years. The Aim High Roadshow was designed to complement the Aim High Videos so that parents can be empowered to support their children's success and achievement.
