Dear Children,

I am really looking forward to welcoming you back to school. Everyone at Hitherfield has really missed you and we are all looking forward to seeing you soon.

We all understand that you may be worried about returning to school or that you may be angry with us because we have not been able to let you come to school before. You may even know of some children who did come to school last term and you may be annoyed that you didn't come to school. Some of you may have enjoyed being at home so much that you would rather stay at home for longer. We understand this.

In order to help you, all of the adults at Hitherfield have worked very hard to make sure that the school is as safe as possible. When you return you will be able to see and play with your friends again and talk to the adults who care so much about you.

Some things will be a little different, such as the start and end times of the school day, but most things will be the same as when you were last here.

So, I am ready, the rest of the school adults are ready and we just need you to join us.

See you soon,

Mr. Ashley-Jones
