Hello Everyone,

Welcome to our new newsletter. Here you will find information on our forthcoming services, groups and activities. We will also update you on what is happening in Streatham and Norwood Children's Centres. We are very pleased that we can offer a new timetable of activities and services to you and your family.

We hope that you have all managed to stay safe and well during this time. Although some of the COVID restrictions have eased we are mindful that the pandemic continues and staying safe is a priority for us all. While we are very excited to be working face to face with families again, it has been necessary to adjust the way in which we deliver our services to promote the safety and wellbeing of all Children's Centre Users and Staff.

Sessions can be accessed by invitation or must be booked in advance and will accommodate up to 8 families at a time, depending on the nature of the activity. Please call the day before the session you would like to book on to between 10am-3pm Monday-Thursday and 10am-1pm Friday. The Children's Centre Staff Team will support you to access our services and activities and promote a safe and welcoming environment maintaining social distancing and hygiene procedures while you are with us on site.

This will include having your temperature taken before signing in, using hand sanitiser/hand washing and wearing a face covering indoors for the duration of the session, unless you are exempt. You will not be required to wear a mask when using the outdoor space with your children. We do ask that you maintain social distancing as much as possible. Children or adults who appear to have symptoms of Coronavirus will be advised to leave the

setting and seek immediate medical advice and attention.

It will be lovely to see you and your babies (0-18months) at our Baby Explorers Groups. Our Song and Story Time and Stay and Play sessions are suitable for families with children under 4 years. The restrictions in place will mean that there may be a waiting list to access some sessions and we would like to thank you in advance for your patience, cooperation and support in this.

Some of our services such as Citizen's Advice Appointments will still be available virtually, either online or via telephone. We are pleased to welcome the return of Hubert Humphrey as he delivers Employment and Training Support on site. Chat and Play meetings with a Better Start Worker will also be available onsite if you would like advice and support or wish to discuss a specific issue in confidence. If you would like to access any of these services please call the centre and speak to one of our administrators who will be pleased to make an appointment for you.
